[Hands On Greater Portland](#) makes it easy for your company or organization to get involved in our community in a meaningful way. Because of the experience we've gained putting thousands of volunteers to work since 1996, we know what the needs are, we know how to organize fun and meaningful volunteer opportunities, and we know what it takes to motivate volunteers. Founded on the idea that we all want to give something back to our communities, Hands On makes it easy for companies of all sizes to make an important, lasting, and positive impact on the community. Join with Hands On, and start making a difference today.
